ABOUT EUROSCIENCEJOBS.COM

EuroScienceJobs stands as the premier platform for connecting with a specialized, highly educated science audience. Our readership comprises experts from various scientific disciplines, each committed to advancing their careers within prestigious international research organizations. Recognizing the value of this dedicated and qualified audience, an increasing number of global organizations turn to EuroScienceJobs to recruit top-tier talent for their research and scientific roles.

By choosing to advertise with EuroScienceJobs, you gain access to a targeted, highly engaged audience through visually impactful and strategically placed graphical advertisements. Our advertising solutions offer a variety of formats - including banners, logos, category sponsorships, and more - each meticulously designed to uphold our strong brand credibility while maximizing your visibility. These formats are tailored to capture the attention of our niche scientific audience, ensuring that your message not only stands out but resonates in a competitive marketplace.

Whether your goal is to build brand awareness, drive traffic to your website, or promote specific opportunities, our ad placements are optimized for maximum visibility and engagement. With EuroScienceJobs, your advertisements are strategically positioned to achieve the highest impact, helping you connect with the brightest minds in science and research.

SOME OF OUR CLIENTS

WHAT CLIENTS ARE SAYING

“Your website has proven to be one of the best resources in order to attract potential science related professionals. We received a good number of potential candidates’ resumes which gives your website an edge over other websites. We will definitely get in touch with you for our future science related positions.

Hilal A. Rahim Karbelkar, Recruitment Administrator, Qatar Foundation

After posting our ad for a post-doctoral position in EuroScienceJobs we received a very good response. The ad was seen over a thousand times and provided many interesting applications. I will use EuroScienceJobs again and recommend it to others.

Allon Weiner, Sorbonne University ”

EUROSCIENCEJOBS AUDIENCE

EuroScienceJobs is a premier platform that connects highly educated science professionals across Europe with top-tier career opportunities. Our platform is specifically tailored for experts in diverse fields such as physics, chemistry, biology, engineering, earth sciences, and mathematics, all seeking to advance their careers within Europe.

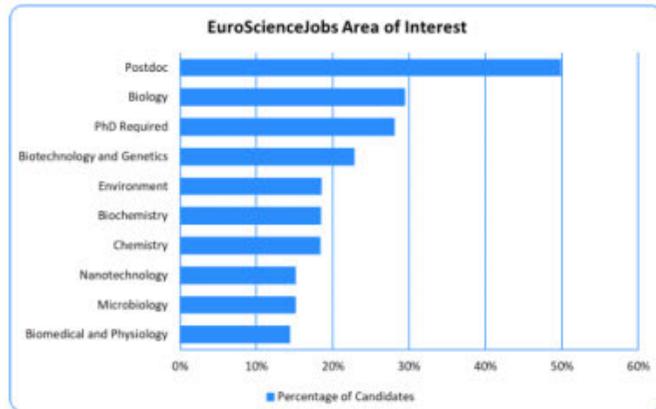

With a focus on excellence, EuroScienceJobs attracts an international audience of accomplished research scientists and professionals dedicated to pushing the boundaries of scientific knowledge.

We have a substantial yet focused audience that you can reach quickly and at extremely competitive prices. Your ads can be online within a few hours, giving immediate results.

In summary

- Every month EuroScienceJobs has around 80,000 sessions, and 40,000 users.
- Over 22,000 scientists are subscribed to our weekly jobs newsletter.
- Around 50,000 personalized Job Alerts sent each week. These alerts are meticulously tailored to match the unique qualifications, preferences, and career aspirations of individual users.
- Our social media community is thriving, now boasting over 11,000 dedicated followers. They actively engage with our content, including the latest updates on job opportunities.

For the full list see the [EuroScienceJobs Recruiter page](#).

PROFESSION & EDUCATION LEVEL

- EuroScienceJobs candidates have high level skills that cross many scientific disciplines and cover many specialist scientific areas.
- Over 67% of users have PhDs and nearly 100% have master's degrees.

COUNTRY AND LANGUAGE

Our mobile jobseekers come from all over Europe, and 93% are willing to relocate for the right opportunity. While the majority of our users are based in Western European countries, actively engaged in scientific research and related fields, EuroScienceJobs is proud to attract a diverse range of scientific experts from every corner of Europe.

EuroScienceJobs is your gateway to Europe's brightest minds, bringing them closer to the opportunities that drive scientific progress.

FORMAT AND PRICES

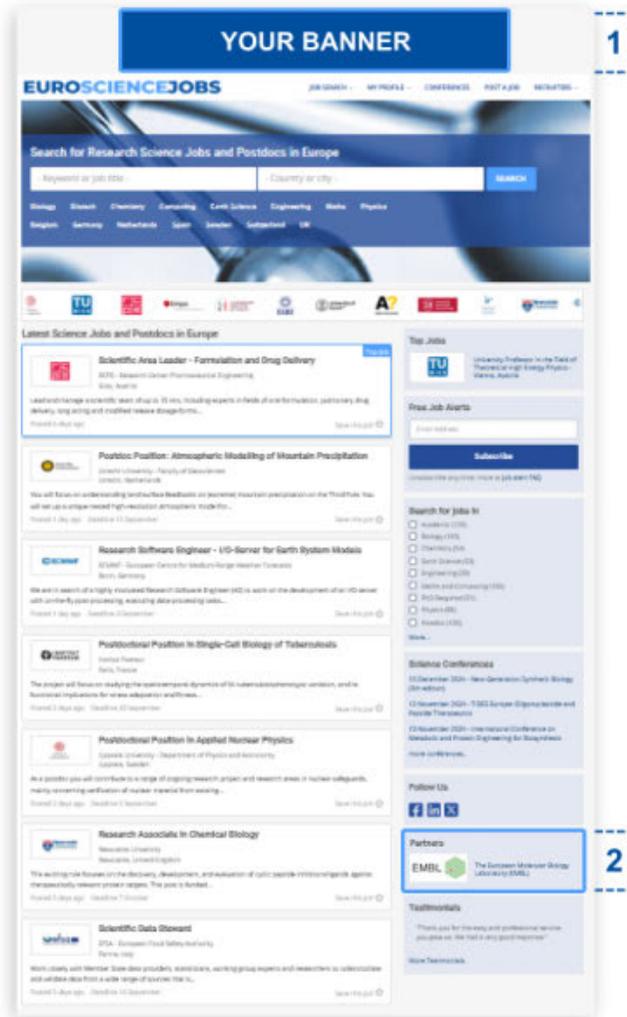

EuroScienceJobs provides highly effective advertising solutions at competitive rates, tailored to maximize visibility and engagement within the engineering community.

- **High-Impact Website Banner Options:** These visually appealing banners are strategically positioned to capture the attention of our audience, ensuring maximum exposure and impact.
- **Targeted Newsletter Advert Options:** Reach our audience directly in their email inboxes, delivering your message to a highly engaged and relevant readership.
- **Partner Profile + Category Sponsorships:** These options are ideal for highly targeted advertising

BANNER ADVERTISING

Displaying your message through banner advertisements on our website, which attracts over 35,000 unique visitors every month, is one of the most powerful channels for engaging with Post Docs and scientists from across Europe. Our platform is a trusted resource among scientific experts, offering you a unique opportunity to connect directly with a highly specialized audience.

Our most sought-after option is the Leader Board website banner. Your advert will be displayed prominently at the top of our job search pages to capture maximum attention.

Requirements:

- Maximum file size of banner - 50K
- Supported image files - JPG, PNG, GIF
- Supported banner types - Leaderboard

YOUR ADVANTAGES

Because the website serves scientific professionals throughout Europe, advertising here enables you to reach a specialized, high-value audience that is likely to be interested in your scientific solutions or innovations. The standard 728 x 90 pixel ad size provides ample space to convey a clear and compelling message with impactful visuals, while also being versatile enough to integrate smoothly into different design layouts.

WEBSITE BANNER AD RATE CARD

Format	Size	Page impressions/month	Approx. share of monthly P.I.	Price
Leaderboard	728x90 pixels	20 000	12.5%	€ 600
		40 000	25%	€ 1000
		80 000	50%	€ 1800

Contact our sales team at sales@eurosciencejobs.com for further information.

NEWSLETTER ADVERTISING

The EuroScienceJobs Newsletter is sent to thousands of scientists every week – and it is read carefully by its recipients. Communicate your message to them in a quick and effective banner format!

Seize the opportunity to connect with top research and PostDoc scientists through our quick and effective banner format. Whether you're promoting a new product, announcing an event, or enhancing brand awareness, our newsletter banner ads provide a powerful way to convey your message with precision and immediacy.

Formats:

- Logo (120 x 60 pixels) and Text Ad
- Leader board Banner (728 x 90 pixels)

Requirements:

- Logo + Text: 120 x 60 pixels (formats: JPG, PNG, GIF), title: 80 characters, advert body: 300 characters (incl. spaces)
- Banner: 728 x 90 pixels, of no more than 50K file size, file formats - JPG, PNG or GIF

YOUR ADVANTAGES

Your ad will be placed at the top of this effective news medium – just below the EuroScienceJobs logo. By securing this prime position, your brand will be the first thing thousands of scientists see when they open the newsletter, ensuring unparalleled visibility.

NEWSLETTER AD RATE CARD

Newsletter	Format	Price
EuroScienceJobs Newsletter (Over 22 000 subscribers)	Logo (120x60 px) + text ad	€ 1800 / Newsletter
	Leaderboard banner (728x90 pixels)	€ 1800 / Newsletter
